

## **Have mainstream organisations had to wait months to get paid?**

Yes sadly

Dr Anthony Jordan, Immunology and Allergy, ADHB

### **Participant Contributions**

- Any rongoa practitioners within services that provide natural alternatives from the westernised medicines? He WakaTapu in Otautahi provide free Mirimiri - Rongoa - Io mahi. 161 Pages Road, Aranui
- If you have any whanau needing support in Otautahi 0800hewaka

### **Questions that were Answered Live**

- Have you found or implemented any strategies you could share to allow kaimahi to deliver their primary core role and still contribute to the covid-19 response (RATS, vaccinations, kai packs etc)
- Are supports packs sent to those iwi affiliates that are out of the region and across the motu? A lot of those who are affiliated with iwi live out of those regions and may not be connected with iwi/hapū in the regions that they live in. What support is there for them?
- Is Panadol distribution done in a way that safeguards you as a non medical service provider, How?
- How are the needs of our whānau that are living with serious mental health and disability issues dealing with their physical health concerns. How are these issues being addressed in your plans?
